

'Learning for a fuller life...'

Policy for Educational/Offsite Visits

As a Church of England school, we see it as our duty to give children and members of the school community the skills to maximise their engagement with the world around them, enable them to grow spiritually, emotionally and personally, and develop the character and values which will serve them well in future life and support success.

The school has formally adopted, through its Governing Body, the Norfolk 'Guidance for Offsite Visits'. www.oeapng.info and as outline on EVOLVE www.norfolkvisits.org.uk Further procedures have been agreed with the Governing Body to ensure that this policy is adhered to.

Aims and purposes of Offsite Visits

The school has a strong commitment to the added value of learning outside the classroom and beyond the school premises. It will seek to provide a broad and balanced range of Learning Outside the Classroom opportunities for all its pupils.

Each year the school will arrange a number of activities that take place off the school site and out of school hours, which support the aims of the school. The range of activities which the Governing Body has given its approval includes:

- Out of hours Clubs (music, sport, etc)
- School sports teams
- Regular local visits (places of worship, swimming, other local amenities)
- Day visits for particular groups (e.g. Gressenhall farm and Workhouse)
- Residential visits (e.g. Caythorpe Court PGL)
- Adventurous Activities (e.g. Caythorpe Court PGL)

Approval Procedure

The Governing Body has delegated the consideration and approval of offsite visits and activities to the Headteacher, who is the school's nominated Educational Visits Co-ordinator (EVC). The Governing Body has approved this appointment and the EVC has received training by the LA, **most recently in March 2018.**

Before a visit is advertised to parents the Headteacher/EVC will approve the initial plan. The Headteacher/EVC will also approve the completed plan and risk assessments for the visit before departure. This will be undertaken using EVOLVE as the planning and approval system. www.norfolkvisits.org.uk

The School has agreed a policy for categorising its visits in line with NCC guidance i.e.:

Level 3 visits must be approved via Evolve and the LA's on-line approval gained.

Level 2 Day visits approved at school level on Evolve by Head/EVC

Level 1 Local regular day (usually less) visits and sports fixtures. The school has posted Standard Operating Procedures for Level 1 visits in the document library of Evolve and will use in-house systems to record and approve such visits.

Staff are reminded of the standard operating procedures for these Level 1 visits at briefings, most recently in January 2018 . These have been made available to staff and are on the school network.

Definition of Levels:

Level 3 = Overseas, Residential or Adventurous visits

Level 2 = Day visits not on the school's list of Level 1. [These must be approved on-line at school level on Evolve].

Level 1 = Local & regular visits that there are generic risk assessments and standard operating procedures for.

Staffing

The school recognises the key role of accompanying staff in ensuring the highest standards of learning, challenge and safety on a school visit.

Staff are encouraged and supported to develop their abilities in organising and managing visits. There will be a system within the school to allow less experienced members of staff to work alongside more experienced colleagues on visits. The selection of staff for offsite visits will be a key priority in the initial approval of any proposed visit. Staff leading visits will be suitably qualified and experienced for proposed activities; all accompanying staff should know the children well.

The school values and recognises the contribution of volunteer adults and parent helpers assisting with offsite activities and visits. Any volunteer will be approved by both the Head and Visit Leader and is entered on the voluntary helpers list kept by the School. They will be carefully briefed on the scope of their responsibility. Where it is appropriate the school will ensure that DBS screening is available for volunteers.

The appointed Visit Leader will be fully supported in the tasks required to arrange the visit. This will include, as necessary, making time or finances available to conduct an exploratory visit, briefing teachers and/or other staff, accessing training courses, reviewing and evaluating the visit or identifying time when the leader and EVC might work in partnership to undertake planning and risk assessments.

Visit staff will not be under the influence of alcohol or other drugs such that their ability to recognise hazards or respond to emergencies is in any way restricted.

Risk Assessment

The Visit Leader will seek to identify any significant risks from any activity that is under their control and take appropriate steps to ensure all participants are safe. Good practice precautions and safety measures will be taken and this will be recorded in a risk assessment.

External Activity Providers

Where external contractors are involved in organising all or part of the visit, the contract will be made with the school on behalf of the pupils. All payments for the visit will be made through the school accounts.

The Visit Leader will make appropriate checks before committing the school to the contract. This will include seeking assurances about health and safety, and any accreditation and licensing. Wherever possible the school will seek to use holders of the Learning Outside the Classroom Quality Badge for which no Providers' Contracts or other assurance checks are required.

Parental Consents

Written consent from parents will not be required for pupils to take part in the majority of off-site activities organised by the school as most of these activities take place during school hours and are a normal part of a child's education at school. A generic consent form for such local visits and activities is completed by all parents on admission to the school. However, parents will be told where their child will be at all times and of any extra information or measures required.

Written consent will be requested for activities that need a higher level of risk management or those that take place outside school hours; this will apply to most Level 2 visits. The school has a standard form, which will be used for this purpose.

As part of the parent consent they will be fully informed of the activities and arrangements for the visit. For all residential visits parents will be invited to a briefing meeting where they can ask for clarification of any aspect of the itinerary and organisation of the visit.

The school has policies for Charging and Remissions, use of Pupil Premium, Behaviour and Inclusion, which applies to all visits. (This is part of the school Finance Policy)

Expectations of Pupils and Parents

The school's Behaviour Policy applies off site and at all times. Pupils, whose behaviour is such that the Visit Leader is concerned for their safety, or for that of others, can be withdrawn from the activity. The Visit Leader will consider whether such pupils should be sent home early and parents will be expected to cover any costs of the journey home early.

Emergency Procedures

The school will appoint a member of the Senior Leadership Team as the emergency contact for each visit (usually the Headteacher/EVC). All major incidents should immediately be relayed to this person, especially those involving injury or that might attract media attention. Critical Incident procedures will be followed if necessary.

The Visit Leader will leave full details of all pupils and accompanying adults on the visit with the emergency contact, including the home contact details of parents and next-of-kin, as appropriate.

All incidents and accidents occurring on a visit will be reported back and recorded following normal school procedures for reporting and investigating accidents.

Review by the Local Authority

The school is supported in its arrangements for offsite visits by the County Council. Where necessary the school will seek advice from the Adviser for Outdoor Learning.

All visits that involve an overnight stay, going abroad and any that involve adventurous activities will be notified to the LA prior to departure. The LA will provide an independent reassurance check of the plan and the precautions and safety measures that will be taken.

Some sample monitoring will also be undertaken by the LA and the school agrees to facilitate this when and where required. Any advice provided will be fully considered prior to the trip taking place.

Charging Policy for Activities and Visits

The school may invite, but not require, parents to make voluntary contributions for school activities in order to enhance what is otherwise provided. There is no obligation to contribute and pupils will not be treated any differently according to whether or not their parents have made a contribution.

Payments for pupils for whom the school receives Pupil Premium will be heavily subsidised by the school, or paid in full, depending on the circumstances and the type of visit.

The level of contribution will be calculated for each activity and may include, for example, an element to cover the participation by young people from low-income families or the cost of travel for accompanying teachers. If a large number of parents are unable or unwilling to pay a voluntary contribution, it may be necessary to cancel the trip, although the school will always try to subsidise any shortfall if at all possible.

The school will comply with the law in relation to charges that may be made for the cost of activities provided outside school hours, within school hours and for board and lodging on residential courses.

Other school policies that this Educational Visit policy relates to are:

- School Charging Policy (see Finance policy)
- Remission of Charges Policy (see Finance policy)
- Pupil Premium Strategy (outlined on school website) Guidance re use of Pupil Premium to support visits is in Evolve resources.
- Inclusion Policy
- Behaviour Policy

PS: September 2014; latest review: **March 2018**

Date signed and agreed by Governing Body:

Appendix: Standard Operating procedures for Level 1 Visits

Level 1 visits –Standard Operating Procedures.

Note, Level 1 visits are those local & regular visits as listed in or as an appendix to the school's Visits Policy [Agreed by SMT, EVC & Governors]

These include:

Visits to St. Edmund's Church

Visits to other cluster schools

Visits to Taverham Library/Village Hall/Day Care Centre

Sports fixtures and events held at other schools

Generic Risk assessments are available on the school network for staff to view and adapt as necessary. (e.g. minibus, walking)

Approval: The Head/EVC or Deputy must be made aware of all Level 1 visits and give verbal approval. Such visits should be added to the school calendar.

Emergency backup: The Headteacher/EVC is the EPOC (Emergency Point of Contact) for such visits and all staff should have the Head/EVC's mobile phone number.

Consent: Organising staff should check with the School Secretary that block consent from parents includes the visit. Consent forms will not usually be necessary, but parents should be informed of such visits out of courtesy.

Staff Competence: All staff should be competent and confident to lead the visit.

Ratios: Minimum level of adults required. For a class there should always be at least 'two adults plus one'; in the event of one adult having to stay with a child or return with a child to school this means that the ratio of adults remaining will still be around 1:15.

First Aid: A First Aid kit should always be taken but staff do not need to be a nominated first aider or have received first aid training. If necessary, trained staff based at the school should be contacted.

Communication: The school mobile phone and/or a personal mobile should always be taken, in case of emergency, to notify school office/EPOC of any change in arrangements/timings etc.

Route: Routes should be selected that minimise the number of roads to be crossed. Accompanying staff should wear 'high-vis' jackets, stand in the road to create a 'tunnel' for the children to cross in and ensure that traffic is stopped in both directions before any children cross the road.

Pupil Specific Requirements: Accompanying staff should be fully aware of any significant behaviour or medical conditions in group. Inhalers, Epipens and any other medication should be taken on the visit. If necessary, a child-specific risk assessment should be completed.
