iii. Other approaches					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
To give all children access to a broad and balanced curriculum and extra-curricular experiences	Musical lessons and trips to be subsidised for PP children	Evidence that families of PP children haven't historically been able to fund these experiences	Monitor attendance on trips and take-up of Music lessons	PS/BB	Termly
To have an advocate/positive voice for Pupil Premium children in school	<p>Pupil Premium Champion role established for September 2017. Person to be part of the Senior Leadership Team.</p> <p>Pupil Premium champion to ensure these children have the same opportunities and chance to succeed, in all areas of school life, as their counterparts. Person to monitor attendance at key events, selection in key roles, school attendance, participation in extra-curricular activities and more, organise extra events and visitors to meet educational, aspirational and social/emotional aims.</p>	<p>We need to continue to raise the profile of Pupil Premium children in our school and be more creative about how we support them and their families.</p> <p>We have roughly 40% of PP children not attending extra-curricular clubs of any kind and so their perception of school is very limited to classroom and playground experiences.</p>	Through monitoring it will be evident that Pupil Premium children are accessing the support and opportunities to enable them to be successful in all areas of school life	SJ/PS	Termly
