

'Learning for a fuller life...'

Acting Headteacher: Paul Henman

31st October 2019

Dear Parent/Carer,

'Families Week': Monday 18th – Friday 22nd November 2019

I am writing to let you know about our latest 'Families Week,' which runs from Monday 18th – Friday 22nd November. The idea is that parents have an opportunity to sample a meal from the school kitchen and to eat it with their child.

Parents will be able to choose the day/menu that they would like to come in for (please see attached for menus). For parents with more than one child in the school you will be able to eat with both children on the same day.

We hope that many parents will take advantage of this opportunity to sample the school menu and also spend some time with their child at lunchtime. This opportunity was greatly appreciated by parents last time; unfortunately, if it is raining and the children are inside at lunchtime, we will not be able to accommodate parents at lunchtime other than for the meal. The cost of an adult meal will be **£2.94**.

Please note: if you are coming in to school to have lunch with your child you will need to be here for 12:10pm as lunch will be served at 12:15pm.

If you are interested in booking a meal **please book and pay online using School Money.**

Simply go to the **School Shop** section on the home page and carefully select the day you would like (if both parents/carers would like to attend, simply select 2 meals). **This will automatically book you the main meal for that day; if you require the vegetarian option or a jacket potato, please contact the school office by email after you have reserved your chosen day.** Children's meals should be ordered as usual on the day.

Please note we have a limit on the number of additional meals we can provide on each day. If a day is unavailable to select on School Money, it means that we have reached our capacity and you will need to select an alternative day.

Please order your adult meal by Monday 11th November. If you don't order by this date, you won't be able to attend

If you have any allergies then please contact the School Office for an Allergen Friendly Menu.

Yours sincerely,

Paul Henman
